The Studio

The Studio

The versatile Studio is the ideal development solution for a wide range of today's challenging building scenarios.

Whether on a narrow cottage lot in a major sub-division or as an infill town-house five minutes from the city, the Studio confers an almost unmatched balance of style and affordability. Front garage or rear lane access, it doesn't matter, the adaptability of the Studio makes stress free two storey building a viable option.

The Studio has been designed to suit challenging lots, while also granting surprising space and comfort, perfectly suited to modern lifestyles.
